

# visemar line

...a bridge crossing the Mediterranean Sea...

Visemar Line is going to launch a regular Ro-Pax service which will connect Venice in Italy, Tartous in Syria and Alexandria in Egypt on a weekly basis

- This will be the first and sole Ro-Pax service linking Southern Europe with two of the Middle East's most important countries
- Visemar line will expedite cargo and passengers movements among countries with guaranteed and express transit time
- Visemar line is a company belonging to the Visentini and to the Tositti Group
- Visentini is one of the most important family-owned maritime industry groups in Italy. The Company is specialized in ro-pax shipbuilding but they are also shipowners and landlords
- Tositti is a leading group of companies based in Venice and operating in the maritime industry since 1952. The Company acts as ship and liner agent, freight forwarder, yacht and travel agent
